

14 FOOT LIGHTHOUSE, LLC

First International

Charitable Online Lottery Offering

Things are busting out in the online gambling world. MGM wants to become major online casino. It is offering to buy an online for \$607 million.

MGM is buying that online casino because it thinks it cannot run an online casino in the USA, MGM is wrong we can do everything that MGM is paying \$607 million of my federal enclaved lighthouse

This is an offering made to accredited investors for the First International Online Lottery for investment in the areas of Gambling, Real Estate and Web App technologies.

Gambling is one of the foremost entertainment in the country and lotteries is one of its most popular. Here a charity would be operating the first charitable online lotteries and one of only 9 altogether and the first one truly designed to sell both across the entire United States and interantionally.

There are four videos on youtube explaining the offering which will be on the site.
